

## Basic Necessities Fund

Lycoming- Clinton HealthChoices is pleased to announce the availability of funds to help behavioral health consumers and their families with the costs of basic necessities and activities of daily living that are not able to be addressed through other resources.

To be eligible for funds, individuals must be a **HealthChoices MA-enrolled** member living in Lycoming or Clinton County, with serious and persistent mental illness, substance use disorder, or a co-occurring disorder.

**The maximum request amount is \$150.**

Possible uses for funds include:

- laundry cards/laundry detergent
- cleaning services
- clothing
- diapers, formula, baby needs
- school supplies
- heating costs
- wellness needs
- safety-related needs
- household needs
- utility cost assistance
- internet cost assistance (for telehealth)

Other requests, will also be considered.

Please email all requests with a completed Funding Request form (see attached) to:
